3.1 Services for Accidental Damage from Handling (“ADH Service”)

If during the Plan Term You submit a valid claim by notifying Provider that the Covered Device has failed due to accidental damage from handling resulting from an unexpected and unintentional external event (such as, drops and damage caused by liquid contact) (“ADH”), Provider will, subject to Your payment of the processing fee described below, either (i) repair the defect using new parts or previously used Provider genuine parts that have been tested and pass Provider functional requirements, or, at Provider’s option, (ii) exchange the Covered Device with a replacement product that may be new or refurbished and has been tested and passed manufacturer functional requirements.

3.3 Services for Defects or Workmanship (“Service Contract Services”) If during the Plan Term You submit a valid claim by notifying Provider that the Covered Device has failed to operate correctly, under normal conditions and use, due to manufacturer’s defects or workmanship after the expiration of the manufacturer’s warranty, Provider will, subject to Your payment of the service fee described below, either (i) repair the defect using new parts or previously used parts that have been tested and pass functional requirements, or, at Provider’s option, (ii) exchange the Covered Device with a replacement product that is new or refurbished and has been tested and passed manufacturer functional requirements.

All replacement products provided under this Plan will at a minimum have the same or substantially similar features (e.g., a different model with the same features, or the same model in a different color) as the original product. If Provider exchanges the Covered Device, the original product becomes Provider’s property and the replacement product is Your property, with coverage effective for the remainder of the Plan Term. Provider may use Covered Devices or replacement parts for service that are sourced from a country that is different from the country from which the Covered Device or original parts were sourced.

Each time You receive a replacement(s) for ADH or mechanical or electrical breakdown, it is a "Service Event".

Exclusions apply as described below. Other than as noted herein regarding screen replacements, ADH and mechanical and electrical coverage expires, and all of Provider's obligations to You under this section are fulfilled in their entirety once Provider has provided to You: two (2) Service Events on a twelve (12)-month rolling basis. Any unused Service Events will expire and not roll over. All other Plan benefits continue throughout.

A conversion fee may also apply if You pay for a screen repair only, but the Covered Device has additional damage beyond screen-only including, but not limited to a bent or dented enclosure, that would prevent Provider from replacing the screen on the Covered Device. 4. What is not Covered?

4.1 Service Contract Services and ADH Services

Provider may restrict Service Contract Service and ADH Services to the country where the Covered Device was originally purchased.

- (b) to conduct preventative maintenance;
- (c) to replace Covered Device that is lost or stolen;
- (d) to repair damage caused by reckless, abusive, willful or intentional conduct, or any use of the Covered Device in a manner not normal or intended by manufacturer;
- (e) to repair any damage to Covered Device (regardless of the cause) if the Covered Device has been opened, serviced, modified, or altered by anyone other than a repair person authorized by manufacturer and Provider;
- (f) to repair pre-existing conditions of a BYO Device;
- (g) to repair any damage to Covered Device with a serial number that has been altered, defaced or removed;
- (h) to repair damages caused by fire, flood, earthquake or other external causes;
- (i) The loss of, loss of use of, damage to, corruption of, inability to access, or inability to manipulate any electronic hardware or software, or components thereof, that are used to store, process, access, transmit, or receive information within Covered Device as a result of any cause or loss other than covered losses specifically stated in this Plan, including any unauthorized access or unauthorized use of such system, a denial of service attack, or receipt or transmission of malicious code;
- (j) Loss, theft, or stolen devices are not covered.

Installation of third-party parts may affect Your coverage. The restriction does not prejudice Your consumer law rights.

5. How to Obtain Service and Support?

You may obtain service or Technical Support by calling Provider at 844-877-1095 or accessing myphoneguardian.com/republicwirelessbydish. You must provide the Plan Agreement Number or Covered Device serial number. You must also, upon request, present Your Plan Confirmation, and the original sales receipt for Your Covered Device and Your Plan. If your covered device requires service, a service fee for each approved claim will apply and be collected in advance of claims resolution.

6. Service Options

At Our sole option, Provider will provide Service Contract Services and ADH Services to You through one or more of these options:

(a) Carry-in service. Carry-in service is available for most Covered Devices. Return the Covered Device to a Provider Authorized Services Provider ("PASP") that offers carry-in service. Service will be performed for You at the store, or the store may send the Covered Device to a Provider-approved repair service ("PARS") site for service. You must promptly retrieve the Covered Device.

(b) Mail-in service. Direct mail-in service is available for most Covered Devices. If Provider determines that Your Covered Device is eligible for mail-in service, Provider will send You prepaid waybills. You must package and ship the Covered Device to a PARS site in accordance with Provider's instructions. Once service is complete, the PARS site will return the Covered Device to You. Provider will pay for shipping to and from Your location if You follow all instructions. The repaired Covered Device or the replacement device shall be shipped next business day directly to You.

(c) Replacement. The Provider, in its sole discretion, may choose to replace your Covered Device rather than repair. In this case, claimed damaged, defective and malfunctioning Covered Devices must be returned to Provider within 30 days. Failure to return a device may result in You being charged a Non-Return Fee.

7. Your Responsibilities

To receive service or support under the Plan, You agree to (i) provide the enrolled Subscriber and Covered Device information, including make, model, IMEI/ESN/MEID or Serial number, and if requested by Likewise, proof of ownership of the Covered Device or any other reasonable requested documentation and verification, (ii) provide information about the symptoms and causes of the issues with the Covered Device, (iii) respond to requests for information needed to diagnose or service the Covered Device, (iv) follow instructions Provider gives You, (v) update operating systems or software to currently published releases prior to seeking service, and (vi) back up software and data residing on the Covered Device.

You must provide all required information pertaining to the Covered Device and Failure within sixty (60) days of initially reporting the Claim, and if approved, take possession of the Replacement Equipment, or have Your Covered Device repaired within sixty (60) days of the approval and payment of any applicable service fees.

DURING SERVICE CONTRACT SERVICE, PROVIDER MAY DELETE THE CONTENTS OF THE COVERED DEVICE AND REFORMAT THE STORAGE MEDIA. Provider will return Your Covered Device or provide a replacement as the Covered Device was originally configured, subject to applicable updates. Provider may install OS updates as part of hardware service that will prevent the Covered Device from reverting to an earlier version of the OS. Third-party applications installed on the Covered Device may not be compatible or work with the Covered Device as a result of the OS update. You will be responsible for reinstalling all other software programs, data, and passwords.

8. Limitation of Liability

Section 4.1(g): to repair any damage to the Covered Device caused by use with a third-party component or product that does not meet the Provider Product's specifications or arising from service (including upgrades and expansions) performed by anyone who is not a representative of Provider or a Provider Authorized Service Provider ("PASP"). This exclusion shall not impact any available coverage You may have under this Plan that is unrelated to the unauthorized component(s) or service.

Cancellations: No Plan that has been in effect for at least seventy (70) days may be canceled by the provider before the expiration of the agreed term or one year after the effective date of the Plan, whichever occurs first, except on the following grounds: (i) failure by the holder to pay an amount due; (ii) conviction of the holder of a crime, which results in an increase in the service required; (iii) discovery of fraud or material misrepresentation by the holder in obtaining the Plan, or in presenting a claim for service thereunder; (iv) discovery of an act or omission by the holder, or a violation by the holder of any condition of the Plan, which occurred after the effective date of the Plan and which substantially and materially increases the service required under the Plan; or (v) a material change in the nature or extent of the required service or repair which occurs after the effective date of the Plan and which causes the required service or repair to be substantially and materially increased beyond that contemplated at the time that the Plan was issued or sold.

No cancellation of Plan will become effective until at least fifteen (15) days after the notice of cancellation is mailed to You. If You have not made a claim and You return this contract to us, either within twenty (20) days of the date that we mailed the contract to You or within ten (10) days of the date of purchase if You were given a copy of this contract when You purchased it, then this contract shall be void and we will refund to You the purchase price of the contract.

If Provider cancels this Plan, Provider shall refund You the portion of the Monthly Subscription Fee that is unearned. Provider may deduct any outstanding balance on Your account from the amount of the Monthly Subscription Fee that is unearned when calculating the amount of the refund. If Provider cancels a contract pursuant to NRS 690C.270, it may not impose a cancellation fee.

If You submit to Provider a request to cancel the Plan in accordance with the terms of the Plan, You shall receive a refund of the portion of the Plan's Monthly Subscription Fee that is unearned and Provider will not deduct the value of any service provided. If You request the cancellation of this Plan after the first thirty (30) days of the Plan term, Provider will not impose a cancellation fee or deduct the value of any service provided. When Provider calculates the amount of a refund pursuant to this paragraph, it may deduct from the portion of the Monthly Subscription Fee that is unearned any outstanding balance on the account.

No prior approval for services or goods covered under the Plan is necessary.

Tax is not applicable in the State of Nevada on the Monthly Service Fee for Service Contract or ADH claims.
